

## **COVID-19: Prevention and Protection is Our Number One Focus**

Mark Schiller's Statement – Lane Construction President & CEO

At Lane, the health and safety of our employees is our top priority. We have implemented a comprehensive set of safety protocols to protect our workforce and the communities we serve. These protocols include mandatory mask-wearing, social distancing, and regular sanitization of work areas. We have also established a robust communication system to ensure that all employees are kept informed of the latest safety guidelines and any changes to our protocols. Our commitment to safety is not just a policy; it is a core value that guides every decision we make at Lane. We believe that a safe and healthy workforce is essential to our long-term success and the well-being of our communities.
